The Firms dealing in Pressed Steel Tanks and Staging.

Enquiry No. 1875.

SUPPLY OF A PRESSED STEEL TANK WITH STAGING REQUIRED FOR KUNIGAL WATER SUPPLY.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below :—

One—Pressed steel tank of 4,800 gallons capacity (16′×12′×4′) with a staging of 25 ft. high, as per following specification :

The tank should be built with standard pressed steel plates 4′×4′ and $\frac{1}{4}$″ thick plates for bottom of tank. The tank should be provided with a top cover and a manhole on the top. There should be a recess on the top so that the float may indicate the full tank level without jamming against the cover. There should be a suitable gauge provided on the outer side with necessary float, etc., to indicate the water level of the tank.

It should be provided with a suitable ladder to get into the tank.

All bolts, nuts and other jointing materials required to complete the erection should be supplied. All the materials should be given one coat of Red-oxide paint before despatch.

Two sets of working drawing giving complete and detailed instructions for erection should be sent to us well in advance of the supply of the equipment.

One M. S. Staging for supporting the above tank 25 ft. above ground level consisting of B.F.B. stanchions, R.S.J. beams, M.S. angle bracings, M.S. ladder to top of tank, etc., and provided with foundation bolts, fabricated complete from British and Tata, B.S.S. materials and painted one coat before despatch.

The price to be quoted should be f.o.r., Tumkur.

It should be distinctly understood that the acceptance of your quotation will be subject to the following condition :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specification will entail cancellation of the order and purchase being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotation should be superscribed "Quotation for pressed steel tank and staging for Kunigal Water Supply." and should reach the undersigned on or before the 25th July 1936.
